## ABOUT BIRCHWOOD JUNIOR SUMMER CAMP

Join us for an action-packed Indoor & Outdoor summer tennis-focused camp at the Birchwood Tennis & Fitness Club! Our professional coaching staff will teach your children the sport of a lifetime in a fun, friendly, and secure environment. We design days full of fun, packed with different activities, while also focusing on tennis education and training!

## Tennis - Focused Camp

Birchwood Junior Summer Camp is designed to work on all aspects of tennis such as **stroke development, footwork, agility, and point play**. We strive to allow every young player to reach a competitive level.

Challenging players at every level of tennis to ensure their development is progressing is an important aspect of the camps. **Players will be grouped on different courts based on age and ability**. Tennis racquet will be provided if needed.

**Full-day campers will enjoy afternoon matches and friendly competitions** to further their understanding of how the sport is played with other players. **The serving, rally, and scoring** are emphasized during this part of the camp.

## Other Sports and Activities

Players will be part of an age-appropriate team every day and together play games like **soccer, basketball, and dodgeball, as well as create crafts, and experiment with art!**

From "Challenging Adventures" to "Superhero! Action!", **each week will have a new theme** that will inspire the activities we do and the hands-on fun we create!

## Splash Thursdays

When you combine **water balloons, water guns, mini pools, and kids**, you get an epic summer event where everyone will have lots of fun!

Players lined up with water guns loaded and balloons in hand, the countdown began. Teams fire away, and soon enough, there is a **SPLASH** happening! This event is unlike anything our young players have ever seen.

Our incredible summer staff will prepare in advance by filling water balloons, water guns, and mini pools. Both, half-day and full-day campers will enjoy the fun of our **SPLASH Thursdays!** During the event, our team will be strictly supervising the event. **No actual swimming will be involved.**

**JUN 13 - AUG 18**
